

Individual Reflections - Week 5

What do I want to learn or understand better?

(A) Current Situation: My assignment for this sprint contains many uses of recycler view.

(B) Desired Situation: Implement bug-free recycler view that is easy to use and change.

(A→B) Plan to get there: Google how to implement a recycler view and learn from the code masters.

How can I help someone else, or the entire team, to learn something new?

(A) Current Situation: I and Jonathan S. are assigned to the same user story and we have split it up in tasks. Jonathan is ill and don't have much experience with Android Studio (AS).

(B) Desired Situation: I finish my tasks and can teach Jonathan a little how to code in AS.

(A→B) Plan to get there: Start working with my tasks as soon as possible and make time for Jonathan if he needs my help.

What is my contribution towards the team's use of Scrum?

(A) Current Situation: I am assigned some tasks for my user story.

(B) Desired Situation: The tasks are informative and contains estimation of effort and are necessary.

(A→B) Plan to get there: Break down the user story to different and independent tasks so that it is easy to work with.

What is my contribution towards the team's deliveries?

(A) Current Situation: I have finished my tasks.

(B) Desired Situation: My tasks are finished without any unknown problems.

(A→B) Plan to get there: Check if there is any way to improve my code when I have time.
