FIFTH WEEK

What do I want to learn or understand better?

(A) Current Situation: This week I'm going to make a design for a toolbar that I have no idea of how to do, I want to learn how to.

(B) Desired Situation: I finish my task and learn how to implement the design in a functional way.

(A→B) Plan to get there: I will spend the time needed to research online to make sure I learn what's necessary.

How can I help someone else, or the entire team, to learn something new?

(A) Current Situation: This week I work alone but if I find an opportunity to teach something or help someone I will take it .

(B) Desired Situation: I take the opportunity to teach someone something new.

(A→B) Plan to get there: Be more aware and active in conversations and planning with the group.

What is my contribution towards the team's use of Scrum?

(A) Current Situation: I have planned with the group our week, i have finished my user story.

(B) Desired Situation: To be more engaged in the discussions about different choices in the scrum meetings.

(A→B) Plan to get there: Be more active and make sure I am fresh for the meetings .

What is my contribution towards the team's deliveries?

(A) Current Situation: I have finished my tasks.

(B) Desired Situation: My tasks are finished without any unknown problems and make shure nothings missing.

(A→B) Plan to get there: Be better at asking for help and be more in the moment when coding.
